

Dress for success

Our tea expertise and our packaging know-how for your tea brand.

As a quality partner for quality brands, and thanks to our more than 135 years of global tea expertise, we can take you from the origin of the teas to retail outlet and make all the stops with you along the way.

We provide a unique range of premium teas, fruit and herbal infusions and instant products.

From our experience as a private label partner in the international markets, we know the trends and can offer you innovative, customised packaging solutions for your own brand. We're on the spot to offer you a wide range of 5-star packaging concepts that precisely suit your needs.

We invite you to have a look at our exemplary packaging range, too, and be inspired by the special effects that are possible with modern printing techniques.

Hälssen & Lyon – the entire world of tea:

- More than 135 years of tradition and innovation in the international tea business
- The one-stop shop, from place of origin to packages on store shelves
- A unique variety of teas, herbs, fruits and instant products
- Highest quality and product safety standards
- Consulting services for design concepts, packaging materials and printing processes
- Tailored, innovative solutions

Packagings for loose tea

A large choice of customisable packaging options for premium leaf teas and herbal and fruit blends. We supply all packagings in standard formats or individually tailored to your wishes - from small to large. The final filling weight will be adjusted to the volume of the respective tea.

Ziplock Bag

- Reclosable
- Different materials and sizes possible
- With customised print or label

Tube Bag

- Varied aroma-safe foils available, e.g. mono or laminated films
- Transparent, with customised print or label
- Hot-sealed

Block Bottom Bag

- Varying size, material and colour options
- With customised print or label
- With or without window

Bag-in-Box

- Hot-sealed inner bag in attractive folding box
- With or without customisable window
- Overall design options incl. special print finishings

Metal Tin

- Excellent flavour protection
- Optionally with easy-open lid
- Partial or full labelling or metal embossings possible
- Tailored tin and lid formats

Composite Can

- Excellent flavour protection
- Reclosable, stackable, recyclable
- Great scope of design options with different paper qualities, foils and print finishings
- Customised formats possible

Tea Bags

Convenient tea indulgence: premium leaf teas and coarse cuts of fruits and herbs in high-quality tea bags that offer visible quality to tea consumers. The final filling weight will be adjusted to the volume of the respective tea.

Pyramid Bags and Rectangular Bags

- Tea bag formats with perfect room for the leaf tea to unfold freely
- Variety of filter materials for visible tea quality
- Single-wrapped or poured loosely

Pot and Mug Bags

- Big tea bags with the ideal amount of tea for the size of a tea pot or large mug
- Variety of filter materials for visible tea quality
- Single-wrapped or poured loosely

Double Chamber Tea Bags

- The classic tea bag for fine cuts
- Tea bags without aluminium clip in hot-sealed envelope

Alternatively, these packagings can also be filled with pyramid bags or rectangular bags.

And please do not hesitate to ask us about pack options for instant products, too.

Packaging Solutions

We pack the tea bags into the outer packagings of your choice, e.g. top-quality folding boxes in customisable formats. With or without cut-out dispensers, windows, labels or print finishings. As you like it!
